

Strategic HR Partners is proud of our partnership with American Benefit Services to offer quality employee benefits administration services to our members

Strategic HR Partners is a regional, employers membership association that provides a complete range of Human Resources products and services for member companies. We offer both complimentary and discounted HR products and services to member companies. In addition, other substantially discounted services are available as a benefit of membership from prestigious, nationally known companies who are part of our strategic alliance. We can create or supplement all of your human resources needs from hourly handbooks to executive coaching. Our products and services are critical to companies of all sizes and industries. Our member companies range in size from 4 to 6,000 employees.

Based in Columbia, SC, American Benefit Services, LLC is a Third Party Administrator specializing in Flexible Spending Accounts, Health Reimbursement Arrangements, Dental and Vision Plans, COBRA Administration and other services to assist employers in providing viable health care options to their employees. ABS was founded in December of 2003, and has been helping employers provide quality Consumer Driven Health Plans ever since. Our Management Team consists of quality individuals who have extensive experience in both the Health Insurance and Flexible Benefit Plan industries.
